

Emergency Preparedness Begins with You

When disaster strikes, your chances of staying safe, healthy and comfortable are much better if you are prepared. This 90-minute presentation offers the information you need to prepare yourself and your family to survive on your own for up to 7 days after any type of disaster. Each household participating in the presentation will receive a free workbook to help with emergency planning.

Note: The Saanich Emergency Program will also come to you to present to a group of 10 people or more. For more information please contact the SEP office at 250-475-7140 or SEP@saanich.ca.
