Be Part of a Greener 2011!

The **Falaise Community Association** seeks your participation for the beautification of our area.

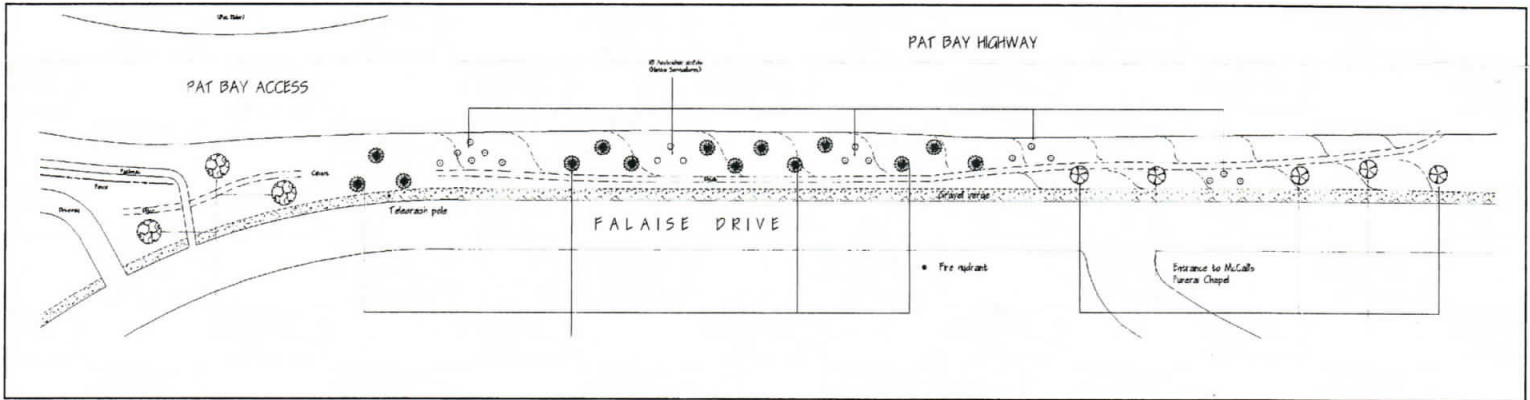

Beautification Project Vision: To rejuvenate the landscape along the Pat Bay highway (north of the Royal Oak overpass) by planting trees and natural vegetation, creating a new green space. This project will create a more visually appealing landscape and help reduce noise and air pollution.

Now

The Beautification Project:

The Falaise Drive corridor along the Pat Bay Highway has long been of concern to residents. The area where the road circles up the hill presents an unattended profile as well as a safety risk. In 2002, the late Ron Timms began a campaign to consider some kind of barrier between the community and this fast paced thoroughfare. The most popular idea was planting trees and creating a green space. A plan for a green belt utilizing the existing pathway was conceived and the Falaise Drive Beautification Project was born. At that time, there was a lack of funding available and the project was not pursued.. In 2007, the idea was revived and a professional plan was commissioned. This plan is illustrated below.

Your support is needed to complete this project!!

Donations can be made at Coast Capital Savings in the Broadmead Village Shopping Center.
(contribution slip attached)

The Falaise Community Association is a non-profit organization. **All donations stay within the community.** Any input or questions about the project should be directed to Margaret Klatt at 250- 744-2297 or Colin Boog at 250- 813-1310.

Falaise Community Association Board:	
Margaret Klatt	President
Colin Boog	Treasurer
Sue Maitland	Secretary
Richard Attwell	Director
Deb Bonderud	Director
Laura Cammiade	Director
Vinnie Gill	Director
Maureen Paterson	Director
