

Want Your Federal Election Candidate Questions Answered?

BARA, the Falaise Community Association, and the Cordova Bay Association for Community Affairs, are sponsoring a virtual all-candidates' meeting for the four federal candidates to answer questions from residents of our communities.

We welcome any questions you might have for these candidates no later than Tuesday, September 14: PresidentBARA@gmail.com

Here are some guidelines:

1. Questions should be addressed to all candidates (do not ask a question that applies only to one candidate).
2. If you submit more than one question, clearly indicate which question has priority (in case we are only able to ask one of your questions).
3. We will give slightly higher priority to "short answer" questions which may be responded to with a simple "yes/no" or with no more than 4-6 words, as it is possible to ask more of them in the allotted time period.
4. We will not identify the name of the person asking the question. If, however, you would like to be identified, please indicate this in your submission.
5. Although we will do our best to retain the exact wording, we reserve the right to make slight changes if this helps to clarify the question. If two or more people ask the same or a similar question, we will combine these into a single question.

Check the BARA website after September 17 for this informative all-candidates' video.
