Falaise Community Association
Growing a stronger community together

Minutes of the Directors' Meeting- September 10, 2026

Location: Google Teams Meet **Time: 7:05 – 7:55 pm**

Attendees: Stuart, Matt, Carl, Glen, Graham
Regrets: Mac, Nikki, James

Opening remarks (Stuart):
None

Additions to Agenda:
None

Correspondence:

- Saanich correspondence regarding the restoration of Bowker Creek
- Letter from Katy Dhillon regarding the rezoning of 934 Falaise Crescent

Minutes from August 10, 2026 meeting:
Approved as written

Motion to approve: Glen Seconded: Graham Approved: unanimous

Action Items from the August Minutes:
All items have been addressed

Financial Report:
Nikki was travelling and did not submit a report. Carl noted that the insurance grant has been received.

Graham noted that Marilyn Wilson had approached him to say that she had enjoyed the picnic.
We need to thank John Polson for providing fish for the picnic.

Committee reports:

Highway trees: ROBP will continue to water the trees until the fall rains start. The tree that was replanted has died. The commitment to Saanich was to water the trees for two years.

Membership: Glen stated that 129 members had paid by e-transfer, the rest by cash or cheque. There is one e-transfer for which he does not have an address. There is a discrepancy of two members between the Treasurer and Registrar.

SCAN: Stuart attended the last SCAN meeting. All candidates meetings were discussed. Hollis Hodson is head of SCAN and is running for Saanich Council.

Old business:

All candidates' meeting: The FCA, Cordova Bay and BARA will host an all-candidates meeting at Claremont school on 5-Oct. Stuart asked for volunteers to escort people into the auditorium. Matt agreed to help.

934 Falaise Cr.: There will be no public hearings regarding the subdivision. Stuart is going to meet with Katy Dhillon regarding her plans for the lot.

Sidewalks on Falaise Cr.: Saanich has confirmed that there are no plans for sidewalks along Falaise Cr.

Summer picnic: The picnic was a success with about 80 people in attendance. Important contributors were: Graham Stone, BBQ; Glen Schoepp, chef; Doug Weidman, sous chef; John Polson, fish.

Road mural: The intention was to do a touchup of the road mural. Unfortunately, the paint had dried out so it was not possible to proceed.

Newsletter: Other commitments and travel plans have made it impossible to meet a mid-September deadline. We will aim for mid-October.

New business:

Halloween: We will plan to set up a Halloween display in the park again this year. We need volunteers to help.

AGM: The date for the AGM has been set for 3-Dec in the Arbutus room.

Calendar: A meeting with Lana has been scheduled for late October to discuss the impact of Bill 44 on our community.

Other business:

Board for 2027: Stuart noted that it is soon time to think about Board membership for next year. Stuart and Carl will not be returning.

Facebook: It is not clear that our Facebook page is working as intended. Graham is going to talk to James.

Bear: A black bear was sighted near the north end of Falaise Dr. Stuart will send out an email to the community and a notice posted on Facebook.

Survey: It was decided to send out a community survey to get feedback on road safety and the provision of sidewalks along Falaise Cr. James will draft survey questions for consideration by the Board.

Next meeting: The next board meeting will be either the 14-Oct or 15-Oct.

Adjournment:
Motion to adjourn: Moved: Stuart Seconded: Matt Approved: All

Action Items:

Stuart:
- Assist in organizing the all-candidates meeting
- Interact with Katy Dhillon regarding the subdivision of 934 FC
- Plan an October meeting with Lana Popham

Carl:
- Send August minutes to James for posting
- Work on the fall newsletter

Graham
- Review how our Facebook page is working

Nikki
- Continue to manage financial issues

Glen
- Continue to monitor / welcome new residents

Mac:
- Attend SCAN meetings

James:
- Keep the website and Facebook page up to date
- Consider an electronic petition regarding community issues
